1. THE CONSTITUTION.

This Constitution is based upon the former Rule Book for Elmbridge Model Club ("the Club") which was last approved by the Members at the annual general meeting held on 21st April 2005. The Rule Book is a matter only of historical interest and this Constitution now fully replaces the Rule Book which therefore has no further force or effect in relation to the Club and its governance.

2. STATUS OF THE CLUB.

The Club is an unincorporated private members club which is regulated by this Constitution.

3. HISTORY OF THE CLUB.

- 3.1. The Club was founded in October 1974 when around 20 members left Esher Model Flying Club with the aim of purchasing property to provide for the facilities of a multi-discipline club covering the display, construction and operation of boats, cars, planes and trains.
- 3.2. In order to generate the capital to achieve the aim of purchasing property the Club ran the Sandown Park Model Symposium annually from 1975 through to 2006.
- 3.3. For a number of years, the Club operated from rented property. By using the profit from the above shows, supplemented by a mortgage and a loan, the Club purchased a flying field in 1995, and purchased a boat lake in 1998.
- 3.4. In 2005 the mortgage and loans were paid off and the Club became debt free.
- 3.5. The profit made from the above shows combined with ongoing club joining fees, subscriptions and fund-raising activities continues to enable the Club to develop the Club's property and facilities in pursuance of the stated aims of the Club.
- 3.6. A more comprehensive history of the Club can be found on the Club website.

4. AIM & OBJECTIVES.

- 4.1. Our aim: To be the best multi-discipline Model Club in the country as envisaged by the original founders.
- 4.2. The objectives of the Club are:
 - 4.2.1. To promote and encourage interest and safe participation in the sport and pastime of modelling. In this regard it is intended that the Club's modelling disciplines grow in size and stature and expand into wider spheres recognising changes in demand as the modelling world continues to develop.
 - 4.2.2. To consider and promote all branches of model making, display and operation.
 - 4.2.3. To foster and promote a feeling of good fellowship, and, as considered necessary, to arrange events amongst the members by means of meetings, debates, lectures, symposia, demonstrations, competitions, and social activities.
 - 4.2.4. To organise and conduct fund raising activities in support of our objectives.
 - 4.2.5. To be affiliated with any appropriate recognised national modelling body, such as the BMFA and MPBA (or successors in title).
 - 4.2.6. It is important that the ethos of the Club is safeguarded and harnessed at all times and not overlooked.
 - 4.2.7. To subscribe to and support such local registered charitable institutions as may be deemed worthy.

- 12.6.16. Discipline and Grievance is the responsibility of the Section Secretaries, as defined in Section 15 below. In exceptional circumstances, disciplinary action and grievances may be referred to the Main Committee for guidance and further action.

12.9. Shadow Committee Members.

In order to assist in cases of succession where a Main Committee Member has indicated that he or she shall not be standing for re-appointment at a forthcoming AGM or has indicated that he or she wishes to stand down as a Committee Member, the Main Committee should endeavour to have a shadow Committee Member co-opted to the Main Committee to prepare for the intended handover.

13.2. The appointment and removal of a Trustee will be approved by a simple majority of votes of the Main Committee without any requirement for ratification by the Members.

13.3. Each Trustee holds its position for as long as it is able to act, and until such time as the Trustee submits its resignation in writing to the Chair or they are removed from their position by the Main Committee, whichever be the soonest.  - 17.1.3. It is not a requirement that the cheapest quote provided is accepted.
- 17.2. Expenditure of £500 or more requires a common-sense review of alternative prices promoted in the market.
